

Adams 12 Back to School Night - Nutrition Services FAQs

Q1: How does my student get meals if they are participating in a Learning Pod?

Schools that have Learning Pods will have access to breakfast and lunch on site for a cost or free and reduced for those that qualify. Students will need their district assigned student ID number to access meals and snacks.

Q2: How does my student get meals if they learn at home remotely?

Students learning remotely can visit drive-thru locations at any of our five comprehensive High School locations to access meals for the week.

- Beginning Aug., 27, meal pickup is available on Tuesdays & Thursdays
- Pickup Times* (attend only 1 pickup window each Tuesday & Thursday):
 - 10:30 - 11:30am or 3:45 - 5:00pm
- Meals will be available for currently enrolled district students (non-charter) for a cost or free and reduced for those that qualify. Students will need their district assigned student ID number to receive.

Q3: Can I pick up all five days worth of meals at one time for my remote student?

No, you will only receive 2 breakfast and lunch meals on Tuesdays and 3 breakfast and lunch meals on Thursdays*. Families must visit the drive-thru locations on both days to receive five days worth of meals.

Q4: Do I come to both pick up windows on a Tuesday or Thursday at the High School drive-thru sites?

No, you should only come to 1 pick-up window each Tuesday and Thursday. Either the 10:30 - 11:30am window or the 3:45 - 5:00pm window.

Q5: Can my Learning Pod student pick up meals on Aug. 27th since LPs don't start until Aug. 31st?

Yes, all families are invited to pick up meals at one of the drive-thru locations for the first day of school. Three breakfast and three lunch meals will be provided.

Q6: Where can remote meals be picked up?

Drive-thru / curbside pick-up only locations

**Locations, Dates, and Pickup times are subject to change*

Horizon HS	Legacy HS	Mountain Range HS	Northglenn HS	Thornton HS
5321 E. 136th Ave. Thornton	2701 W. 136th Ave Broomfield	12500 Huron St Westminster	601 W 100th Place Northglenn	9351 N Washington St. Thornton

Q7: If I have one student in a Learning Pod and another remote student, can I pick up my remote student meals at a Learning Pod site?

No, you can only pick up meals at the drive-thru high school locations for remote students. Remote meals can be picked up at any curbside location and pick-up times have been created to allow for pick-up after Learning Pods let out. See Q2 and Q6 above.

Q8: If I have an elementary student and a high school student, both learning remotely, can I pick up meals at the high school locations for both.

Yes, you can pick up all remote student meals, regardless of age and school, at the High School HUB locations.

Q9: Can I use cash to pay for my student's meals?

In an effort to minimize the amount of cash exchanged, we strongly encourage you to go 'contactless' by adding money to your child's meal/snack account online using **Pay For It:** <https://payforit.net/>.

Q10: With the national coin shortage, do I need to bring exact change?

Yes, exact change is preferred. Cash payments will be accepted, however, no change will be given. Instead, any change from the transaction will automatically deposit into your student's meal account to be put toward future meals.

Q11: How do I know if there is money on my student's account?

Meal account balances can be viewed on payforit.net or you may call Nutrition Services at 720-972-4123

Q12: What happened to my student's account balance from last school year?

Most meal accounts were refunded in the spring, therefore most student meal accounts have a zero balance. You will need to add money to your student meal account prior to the first day of school on <https://payforit.net/>.

Q13: Do I need to reapply for Meal Benefits each school year?

Yes, eligibility guidelines change each school year. Carryover of the previous year's eligibility is for up to 30 operating days or until a new eligibility determination is made. The new eligibility determination supersedes the carryover eligibility.

Q14 Does my student need to be with me to pick up take home meals?

No, parents or guardians picking up meals for students will just need their student's district ID card and/or their assigned student ID number.
